**DECLARATION OF MARC A. VIVENZIO**

**FAX RECEIVED**

**T.C. 2800**

Sir:

I, Marc A. Vivenzio, hereby declare as follows:

1. I am an associate with the law firm of Lorusso Loud & Kelly LLP and a registered patent attorney with the United States Patent and Trademark Office, Registration No. 52,326.
2. I was assigned and have been personally involved in the prosecuted of the above-referenced application U.S. Ser. No. 10/051,319 (hereinafter "the '319 application").

Serial No.: 10/051,319

-2-

Docket: TRG-301

3. This declaration is being submitted to verify facts relating to the submission of an Information Disclosure Statement ("IDS") mailed June 13, 2003.

4. It is my general practice to prepare an IDS whenever potentially relevant references are brought to my attention. As a matter of course, I personally prepare the IDS, Form PTO 1449 and a return receipt postcard (with sufficient postage) along with a certificate of mailing (set forth below the signature line or on a separate sheet attached after the signature page). I make at least one copy of the IDS including the certificate of mailing, Form PTO 1449, return Receipt Postcard and cited References for the firm's file. I then personally place the original documents in an envelope addressed to the Commissioner of Patents with sufficient postage and personally deposit the envelope and its contents with the United States Post Office.

5. On June 13, 2003, I prepared an IDS, Form PTO 1449, certificate of mailing, return receipt postcard and reference copies for submission to the USPTO in the '319 application. A copy of that submission (excluding the references) is attached hereto as Exhibit A. Of particular note are copies of the return receipt postcard and certificate of mailing set forth on the last page (page 3) of the IDS. I signed the certificate of mailing on June 13, 2003.

6. On June 13, 2003, I placed the signed IDS with executed certificate of mailing, Form PTO 1449, return receipt postcard with appropriate postage and copies of the cited references into an envelope addressed to the Commissioner of Patents, P.O. Box 1450, Arlington, VA 22313-1450. I then deposited the envelope with the United States Post Office.
